

Mastery Performance Acceleration™

- Practice Integrity Accelerator -

This tool is intended to allow me, The Master, to rapidly accomplish my ideals in any area of my life. It helps me to accurately measure the current level of my Mastery Practices™, and make the necessary practice changes to increase my performance acceleration.

Mastery Perf Level	My conversation
7.0	I now have a methodology that allows others to replicate my practices in this area. Others are now using my methodology and replicating my values and practices in this area. I am now known as one of The Masters in this area.
6.0	Others are saying that I am outstanding in this area. Others are saying that they wish they could be like me in this area.
5.0	I am now operating at or above my “Level 5 Ideal” measures in this area. I am experiencing no concerns. I am experiencing the WOW in this area.
4.9	I am now experiencing the “Zone” while I am engaged in my practices in this area.
4.8	I am now experiencing exponential changes in my results. My results are now occurring with speed, fun, grace and ease.
4.7	My practices are now established as automatic and second nature. I am now experiencing some significant measureable results that are in line with my ideal measures in this area.
4.6	My practices are now in line with my “Level 5 Ideals” in this area. My practices are now recurring on my schedule and are becoming habitual. I am now noticing some small but encouraging changes in my results.
4.5	I am now engaged in my scheduled upgraded practice, but I have yet to make it a routine.
4.4	I am now practicing and I am paying attention to my results in this area. I am now aware that my current practices are insufficient to achieve my level 5 ideals within my specified time frame. I am noticing that I am avoiding upgrading my practices in this area.
4.3	I am now executing my practices in this area. However, I am avoiding paying attention and recording my results and mastery levels for this area.
4.2	I am now gathering the tools and materials to support my practices in this area.
4.1	I am now planning the practices to fulfill my intentions in this area.
4.0	I now have written measurable intentions, standards, and time frames, (Level 5 Ideal), for this area. I have yet to create practices to support my intentions in this area.
3.9 & Below	I have no awareness, conscious intentions, or written measures for this area. I “Don’t Know” what is going on in this area.
